- 1 Permission to bring a motorcycle/scooter to school is given on a provisional basis only, and priority will be given according to need. Permission will be withdrawn if parking space for students is required for other purposes.
- 2 Extreme care must be taken on entering and leaving the school premises. Students must only use the Station Road entrance, ie **no entry or exit from the Swimming Pool end**. The maximum speed limit is **5mph**. Reckless or careless driving will lead to the withdrawal of the privilege of bringing a motorcycle/scooter into school. For safety reasons, students should not drive their motorcycle/scooters out of the car park between 3.00 and 3.30 pm.
- 3 Students must park in the motorcycle/scooter area by the Site Team Workshop. They must not park in the white marked spaces, disabled bays or in delivery areas. Students must not park in the Swimming Pool Car park, where unauthorised vehicles may be reported to the police and/or clamped.
- 4 Responsibility for students driving to school by motorcycle/scooter rests with themselves and their parents.
- 5 Permission to bring a motorcycle/scooter to school is given on the understanding that it will simply be used as a means of transport between home and school. It should not be used for trips during the school day, including private study time and the lunch break, or as a focus for groups of students in the car park.
- 6 Students should not transport other students on motorcycles/scooters at school.
- 7 The school can accept no liability for any loss from or damage to the vehicle or gear, such as helmet, leathers, whilst on site.
- 8 Students must inform the Sixth Form of any change in vehicle during the period of their parking permit.

In applying for permission to drive to school, I agree to the above regulations. I understand that if I abuse the privilege, it will be withdrawn.
