

Coronavirus (COVID-19) Catch-up Premium 2021-22: 16 – 19 Tuition Fund

16 - 19 Tuition fund

At Backwell, the 16-19 tuition funding will be used to provide 1:3 group tuition up to three times a fortnight for students who did not achieve a grade 4 in Maths in the summer of 2021.

There are no students at Backwell Sixth Form who did not achieve a grade 4 or above in English and the funding will therefore be focused on Maths tuition. The tuition will be provided by paying existing members of teaching staff who are appropriately trained to deliver small group catch up work.
