Dear Parent/Carer

Pupil Premium Support

I am writing to inform you that our records indicate your child has access to support from the Pupil Premium fund. This funding allows us to support families to access the wide range of opportunities provided by the school, and support academic attainment.

I have enclosed a document which details the support that is offered to students by the school. Whilst Pupil Premium is not an individual budget, we endeavour to provide as much individual support as possible whilst also using this funding to create smaller classes, train our teachers and support our other vulnerable young people such as those supported by a social worker and young carers. Full details of our planned spending can be found at:

<https://www.backwellschool.net/page/?title=Pupil+Premium&pid=29>

As a school, we are committed to ensuring all of our children have access to a wide range of enrichment activities, clubs and trips. We work with the utmost discretion so that only you, your child and the school are aware of any support put in place to make it easier for your child to attend.

There have been recent changes made by the Local Authority with regards to free school meals. If you are unsure about how to apply for free school meals, please contact the school.

If you have any questions regarding any of this, then please do not hesitate to contact me via mailbox@backwellschool.net.

Yours sincerely

Laura Donnelly
