Introduction

As a charity and company limited by guarantee, the Trust is governed by a Board of Trustees who have overall responsibility and ultimate decision-making authority for all the work of the Trust, including the establishing and running of the schools in the Trust.

In order to support the effective operation of the Trust and the schools, the Board of Trustees has established a number of committees to which it has delegated certain of its powers and functions. These terms of reference set out the constitution, membership and proceedings of these committees.

In summary, the Board of Trustees has established three different types of committee:

- Main Board of Trustees committees which are established to deal with Trust-wide matters such as audit, finance, staffing, pay and performance management;
- Local Governing Bodies (LGBs), which are established by the Board of Trustees to support the effective operation of the schools;
- and Chairs Development Groups with representation from all schools in a hub, working as a steering committee, forum for sharing best practice and communication channel between the Board of Trustees and the LGBs.

The Board of Trustees will review these Terms of References together with the membership of the committees at least once every twelve months.

These Terms of Reference may only be amended by the Board of Trustees.

When reading this document reference should also be made to the Trust Scheme of Delegation and the Memorandum of Understanding between Lighthouse Schools Partnership & the Diocese of Bath and Wells.

Role & Responsibilities

- We understand the purpose of the board and the role of the Headteachers.
- We accept that we have no legal authority to act individually, except when the board has given us delegated authority to do so, and therefore we will only speak on behalf of the Board of Trustees/LGB when we have been specifically authorised to do so.
- We accept collective responsibility for all decisions made by the Board of Trustees/LGB or its delegated agents. This means that we will not speak against majority decisions outside the Board of Trustees/LGB meeting.
- We have a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer.
- We will encourage open government and will act appropriately.
- We will consider carefully how our decisions may affect the community and other schools.
- We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our school. Our actions within the school and the local community will reflect this.
- In making or responding to criticism or complaints affecting the school we will follow the procedures established by the Board of Trustees/LGB.
- We will actively support and challenge the CEO/Headteacher.
- We will accept and respect the difference in roles between the board and staff, ensuring that we work collectively for the benefit of the organisation;

- We will respect the role of the executive leaders and their responsibility for the day to day management of the organisation and avoid any actions that might undermine such arrangements;
- We agree to adhere to the school's rules and policies and the procedures of the governing board as set out by the relevant governing documents and law
- When formally speaking or writing in our governing role we will ensure our comments reflect current organisational policy even if they might be different to our personal views;
- when communicating in our private capacity (including on social media) we will be mindful of and strive to uphold the reputation of the organisation

Commitment

- We acknowledge that accepting office as a Trustee/Governor involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of the Board of Trustees/LGB, and accept our fair share of responsibilities, including service on committees or working groups.
- We will make full efforts to attend all meetings and where we cannot attend explain in advance why we are unable to.
- We will get to know the school well and respond to opportunities to involve ourselves in school activities.
- We will visit the school, with all visits to school arranged in advance with the staff and undertaken within the framework established by the Board of Trustees/LGB and agreed with the Headteacher.
- We will consider seriously our individual and collective needs for training and development and will undertake relevant training.
- In the interests of transparency we accept that information relating to governors/trustees/academy committee members will be collected and logged on the DfE's national database of governors (Get information about schools).

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with other Trustees/Governors committee members, the clerk to the governing board and school staff both in and outside of meetings.
- We will support the Chair in their role of ensuring appropriate conduct both at meetings and at all times.
- We are prepared to answer queries from other Trustees/Governors in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the Headteacher, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside school.
- We will exercise the greatest prudence at all times when discussions regarding school business arise outside a Board of Trustees/LGB meeting.
- We will not reveal the details of any Board of Trustees/LGB vote.
- We will ensure all confidential papers are held and disposed of appropriately.

Conflicts of interest

- We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the Board of Trustees/LGB business in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time.
- We accept that the Register of Business Interests will be published on the Trust and school's website.
- We will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- We will act in the best interests of the school as a whole and not as a representative of any group, even if elected to the governing board.

Ceasing to be a governor/trustee/academy committee member

- We understand that the requirements relating to confidentiality will continue to apply after a governor/trustee/academy committee member leaves office

Breach of this code of conduct

- If we believe this code has been breached, we will raise this issue with the Chair and the Chair will investigate; the Board of Trustees/LGB will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.
- Should it be the Chair that we believe has breached this code, another Trustee or Governor, such as the Vice Chair will investigate.
