

## APPLYING TO HIGHER EDUCATION VIA UCAS

- Register with UCAS Hub, start your application and complete the sections headed **Personal Details, Contact and Residency Details, Education, Employment, Nationality, Supporting Information, English Language Skills, Finance and Funding and Diversity and Inclusion** by Thursday 21 July 2022.
- Complete the rest of the application (**Choices and Personal Statement**) in Term 1 of Year 13.
- Once the application is complete (showing 100% complete on the dashboard), you will need to fill out the **APPLICATION SUMMARY SHEET** at the back of this booklet and hand this in.
- You need to do this by Monday 26 September 2022 if applying for Medicine, Dentistry or Veterinary Science, or to Oxford or Cambridge. For all other courses, this must be completed by Friday 21 October 2022.
- Applications will be checked in the order that the Application Summary Sheet is received, so be aware that applications submitted after the end of Term 1 are likely to be held in a long queue.
- Once your application has been checked and you have made any necessary changes, you will be told that you can click **SUBMIT** and then **ACCEPT AND PROCEED**. You need to pay the cost of £22.50 to apply to one course and £27 for two courses or more.
- Your supervisor will then add your reference and predicted grades and send the application to UCAS.
- Conservatoires and private drama/music schools are via different application systems and may have deadlines as early as Monday 3 October 2022. If you are considering applying to these, you **must** discuss your application with a member of the Sixth Form Team before the end of Year 12.

## 1 Registering with UCAS Hub

- Go to [www.ucas.com](http://www.ucas.com) and select **Sign In** from the top right menu.
- Select **Students** and then **Create Account** within the **2023 Entry** option. Please note that even if you are intending to defer your application to start in 2024, you still need to select 2023 Entry.
- Complete the form using a personal email address (not your school one), and a memorable password. UCAS will then email you a code to verify your email address.
- Once registered, you will be asked a few questions. Make sure you choose the correct study year (2023) and the correct level of study (undergraduate). You can choose to receive information on apprenticeships and conservatoires (music/drama schools) if you like.
- Select the subjects you are interested in (you can change these at any point), then scroll down to **Create Account**.

## 2 Starting Your Application

- To start your application, click the **Your Application** tile.
- You will be asked if you are applying from a school. Click **Yes** and enter the Buzzword **backwell23**. This links your application to the school, so we can track your progress and add your reference/predicted grades.
- Select your group. If you are applying to Oxbridge, Medicine, Dentistry or Veterinary Science, select the group **Early Birds**. If you are an ex-student, select this group. Everyone else will select their **tutor group**.

## 3 Application Overview

- The **Your Applications** homepage is where you will see all the sections which need to be completed and what percentage has been done. You must complete all mandatory questions to mark a section as complete (they have a \*) and all sections must be complete before your application can be sent to UCAS. To start, scroll down to the box marked **Personal Details**.

## Personal Details

Name: Your name will already be visible but you'll need to add your title and the other mandatory fields. Make sure you mark the section as complete.

## Contact and Residency Details

Add your contact details. Under Nominated Access click **Yes** and give the details of a person who would speak to UCAS about your application if you cannot. Usually this would be a parent/carer.

Area of Permanent Residence: This will be **North Somerset** for the vast majority, unless you live in Bristol itself, where your local authority will be **Bristol**.

## Nationality

For most of you this will be **UK National**. If you were born in the UK but have a different nationality, you will be asked additional questions.

If you weren't born in the UK, you will be asked for the date of your first entry to the UK. The questions you will be asked will be relevant to the information you provide. If you have any queries speak to the sixth form team.

If you select that you will need a visa to study in the UK, you will be asked for your passport details.

## Supporting Information

The questions are mandatory, but you do have the option of **I don't know** or **I prefer not to say**.

## English Language Skills

If English is your first language, choose **Yes**. If it is not, choose **No** and read the advice. Mark the section as complete.

## Finance and Funding

Most of you will be applying for a student loan and therefore need to select **UK, Chi, IoM or EU Student Finance**. Select your local authority as **North Somerset** or **Bristol**. If you are not applying for a loan select **Private Finance**.

## Diversity and Inclusion

Equality Monitoring: You will only see these questions if you have a UK home/postal address. There are two mandatory questions, but you do have the option of **I prefer not to say**. This information is only shared with universities once you have secured a place. It does not influence any decision making, but is used to ensure that applications are dealt with fairly.

Activities in preparation for higher education: You need to enter details of specific organised preparation activities. These would normally take place at a university campus. Access to Bristol, On Track to Bath or any other supporting course would apply.

Parental Education: You can select **I prefer not to say**. For the occupational background, you must type at least three letters into the response field, then select an option from the menu that appears below it.

**More About You:** This section is shared with universities so they can support you. Please speak to a member of the sixth form team if you would like to talk through what to put in this section.

## Education

Add Place of Education: Add the school where you sat your GCSEs. For Backwell School enter **Backwell School, Bristol**. If you started in Year 7 the start date will be 09/2016. Your end date will be the date you left that school, or in the case of Backwell School, this will be 07/2023.

Next you need to enter your qualifications gained at that school. Click the **Add Qualification** button and one by one, enter your GCSE subjects, boards and grades. You will also need to enter what you are studying at A Level/CTEC. Start with GCSEs.

### GCSEs (Grade: 9-1)

Add these one at a time. The qualification date for these will most likely be 08/2021. If you were awarded your GCSEs from Backwell School see the list on page 8 for the exam boards. If you were awarded your GCSEs from a different school, you will need to check the exam board on your GCSE certificates.

If you took a GCSE in November 2021, you need to enter both results with the appropriate dates (the date will be 01/2022 for any exams you took in November).

You do not need to add module details.

If your qualification is not listed in the boxes, scroll down to the section marked **Search For Your Qualifications**.

## AS/A Levels

If you sat your GCSEs at a different school, you will need to scroll down to **Add Place of Education** and enter Backwell School (**Backwell School, Bristol**) in order to enter your A Levels/CTECs. Your start date will be 09/2021 and your end date 07/2023.

If you took any subjects at AS Level, click on the box marked **GCE Advanced Subsidiary**. Enter the subject, board and date as 08/2022 and the grade as **Pending**. You can update the grades when you receive your results in August. There is no need to add modules.

To enter your A Level subjects click on the box marked **GCE Advanced Level (A Level)**. Enter the subject, board and date as 08/2023 and the grade as **Pending**. There is no need to add modules.

## Cambridge Technical Extended Certificate in Business / Cambridge Technical Extended Certificate in Performing Arts / Cambridge Technical Extended Certificate in Health and Social Care / AQA Level 3 Extended Certificate in Applied Science

Refer to the table on page 8 for the correct course name and exam board for these qualifications. You do have to add your modules so you will need to check with your teachers what modules you are taking. The date for all the modules will all be 08/23 and the grade will be **Pending**.

## Extended Project Qualification (EPQ)

If you completed the EPQ click on **Extended Project (Level 3)** in the search box. For the Subject add a condensed version of your EPQ title. This is what the universities will see so make the title descriptive, interesting and if you can, relevant. The qualification date is **01/2023**, the awarding organisation is **AQA** and the grade is **Pending**.

## Other Qualifications

You can also add other qualifications that count towards UCAS points, such as Music (practical and theory), Dance or LAMDA qualifications. For LAMDA enter Drama and Speech in the search box. You can add these under Backwell School unless you were studying at another school at the time of the exam. If you are unsure as to the exact title of your qualification or exam board, you will need to check with your teachers.

When you have entered all the qualifications scroll down the page. Backwell School does not provide Unique Learner Numbers, so leave this blank. Your highest level of qualification is **Below Honours Degree Level**. Mark the section as complete.

## Employment

If you add more than one place of employment, they will appear in chronological order. Not everyone will have something to enter here, but if you don't, you still need to mark the section as complete.

## Extra Activities

See the instructions as to what this includes and add any activities which meet the criteria. Mark the section as complete.

## Personal Statement

We recommend that you start your personal statement via the **Drafting Application Materials** section on Unifrog, using the **Subjects Library** for inspiration. You can then cut and paste it into this section on the UCAS application. There is guidance on what a personal statement needs to contain on page 9 and 10 of this booklet.

If you want to start the statement in this box you can do this and then save it as a draft. Once you are happy with it and it has been checked by your supervisor you can mark the section as complete via the **Save and Preview** Screen.

## Choices

You add your choices by returning to the **Application Overview** screen and scrolling down to the **Add Choices** section. You have a maximum of five University course choices. It is possible for you to choose only one or two, but we recommend that you opt for all five as this gives you more options later on. Universities make offers based on predicted grades or predicted UCAS Tariff Points. Tariff Points are awarded for all formal qualifications at Level 3, such as A Levels, AS Levels, CTECs and the Extended Project Qualification, and also for music and dance exams. A full list and tariff point calculator can be found on the **Your Hub** area of the UCAS website and on page 7 of this booklet. You should check offers based on UCAS Tariff Points offers carefully as they many contain extra conditions, such as grades in particular subjects or a requirement for a certain number of points to come from full A Levels rather than AS Levels, EPQ or music/dance exams. If you are in doubt ask a member of the sixth form team.

To add your choices, click on the **Add Choices** section on the dashboard. Start typing the name of university into the institution field and select from the options displayed. Do the same for the course you have selected making sure that the course code is the same as the code on the course website.

Locations and start dates are displayed according to the course details. Select September 2023 unless you are deferring your place, in which case you need to select September 2024 as your start date. You should only do this if you are 100% sure you want to defer your place, as it is difficult to change your mind at a later date. It is far easier to select September 2023 for now and then defer later.

Point of entry: This informs the university which year of the course you wish to start. For the majority of you this will be **1<sup>st</sup> year**. However, if you are applying for a foundation year, you will need to enter **Foundation Year**. Speak to a member of the Sixth Form Team if you are unsure.

Some courses have extra admissions tests and assessments. These will be shown in blue text on the choice card.

Some courses require you to disclose your criminal conviction status. This will only be asked if the course requires it.

Once all your choices have been added, you can mark the section as complete.

## UCAS Tariff Points

A Level	
A*	56
A	48
B	40
C	32
D	24
E	16

AS Level	
A	20
B	16
C	12
D	10
E	6

Extended Project	
A*	28
A	24
B	20
C	16
D	12
E	8

<b>AQA Level 3 Extended Certificate</b>	<b>Applied Science</b>
<b>OCR Level 3 Cambridge Technical Extended Certificate</b>	<b>Business Studies</b>
<b>OCR Level 3 Cambridge Technical Extended Certificate</b>	<b>Health and Social Care</b>
<b>OCR Level 3 Cambridge Technical Extended Certificate</b>	<b>Performing Arts</b>

D*	56
D	48
M	32
P	16

Music Performance	Grade 8	Grade 7	Grade 6
D	30	16	12
M	24	14	10
P	18	12	8

Music Theory	Grade 8	Grade 7	Grade 6
D	10	8	6
M	9	7	5
P	8	6	4

Tariff points are available for a number of other qualifications, such as dance. Please see the UCAS Hub for a full up to date list. However, you should note that some universities only recognise tariff points gained from particular qualifications, such as A Levels. It is therefore important to check carefully on individual university websites for conditions of the offer.

## Exam Boards

GCSE SUBJECTS and Exam Boards	
Art, Craft and Design	AQA
Art Textiles	AQA
Art Photography	AQA
Business Studies	Edexcel
Child Development	OCR
Computer Science	OCR

Sociology	AQA
Spanish	AQA

**NB: The exam boards for GCSEs are only correct for ex-Backwell students. Students who joined the school in the Sixth Form will need to check the details of the exams sat in their previous school.**

## Personal Statements

### Guidance on preparing your UCAS and Art Foundation Personal Statement

The following notes on preparing your personal statement are a guide to the type of information you might wish to include.

**The more competitive the subject for which you are applying and the more popular the university/college, the more vital it is that you include substantial reasons to explain why you are applying: i.e. Sections 1 and 2 need to be very strong and to dominate the statement.**

The following is a standard structure for a Personal Statement:

**Section 1:** This should be a strong opening explanation of the reasons why you want to follow your chosen course. It should not be short and may run to more than one paragraph.

**Section 2:** In this section you should discuss any experiences that you have had that are relevant to your application. This might include reference to A levels, work experience, work shadowing, a course you have been on, a relevant part-time job, relevant Community Action, etc. Again, you may need two or three paragraphs.

**Tip: Don't be vague over how long you did something for if what you did was substantial. Admissions tutors regard vagueness as a cover-up.**

**Section 3:** In this section you describe other personal achievements that are of interest. You are trying to show that you are an individual with something to offer the institution(s) you are applying to. Normally, this section will be at least one paragraph in length.

**Section 4:** This final section should leave the reader with a lasting impression about you: make them want to offer you a place on their course instead of someone else.

*Remember:*

- Correct spelling, punctuation and grammar matter.
- Try to link much of what you say to the course you are applying for.
- Don't just list your experiences; try to explain (at least some of the time) how they have affected you.

**You will need to prepare your personal statement in Unifrog and then paste into UCAS. Whatever font you use, UCAS converts it to its own format when you import it.**

**In UCAS you have up to 4,000 characters including spaces: when you save the system tells you how much you are under or over this limit.**

## Example Personal Statement:

I would like to read English Literature and French at degree level, because it is such a fundamental part of everything I enjoy. I love writing poetry, lyrics and plays, while I also relish gaining inspiration and knowledge from reading and analysing all types of literature in both English and French, in particular the work of playwrights, which has grown out of my passion for all aspects of the theatre. I read poetry, because I enjoy the challenge of interpreting the way poets express their ideas through language, structure and punctuation. In particular, William Blake's *Songs of Innocence and Songs of Experience* has been interesting and instructive to read in respect to cultural and social development. His ability to write in simple poetic style, yet conveying effective radical ideas amazes me. His was a time of social and political revolution particularly influenced by the French Revolution and the likes of Jean-Jacques Rousseau. This part of cultural history is what has raised my interest in Literature and French.

I have always been an avid reader. The diversity of my reading material is due to my curiosity about the different ways in which writers express their ideas. My preference is for novels which provoke a distinct reaction because of their peculiar themes or the extraordinary writing style of the author. I find that the work of Ian McEwan has this effect on me, and similarly the writing of Iain Banks, whose ability to captivate his audience with his often surreal and horrific contents intrigues me. In class, I am particularly at ease when participating in the discussion of texts; my contributions have matured along with my breadth of knowledge and my clarity of expression in written work as my Sixth Form studies have progressed. As a progressive learning subject, I found that it was important to practise my French outside of class. For this purpose, I have taken up a variety of activities. I frequently go to the cinema or watch French films, write to my French exchange partner in Lyon and read French novels, such as *Les Grand Meaulnes* by Alain Fournier or *Madame Bovary* by Flaubert.

Being involved in a variety of voluntary schemes to improve the English skills of younger or less able students has enabled me to gain a greater understanding of English. This involves working for 'Kumon', a project designed to provide extra support for children between the ages of five and sixteen, who find literacy challenging: I explain to the students how they can improve and why they have made mistakes. Community Action work at a primary school in Year 12 prepared me for this task as I spent the majority of my time taking sole responsibility for groups of younger children; it also improved my communication skills, my ability to meet deadlines and work under pressure, skills that are proving invaluable at A Level and will continue to play an integral part in my university life.

During my Gap Year I shall be going to Peru for five months to teach English as a volunteer. This is a project I have been planning for some time: having to raise a significant figure in order to fund the trip has greatly improved my time management, teaching me to balance my commitment to my academic studies with various part-time jobs and fundraising schemes. I believe the experience will be extremely beneficial and my role as a teacher will give me a purpose within the community, thereby immersing me in a culture very different from my own and broadening my outlook on life. I feel that the experience will encourage my approach to new ideas at university to be open-minded, and look forward to the intellectual development and challenge that will come from reading English Literature and French at University.

## Higher Education: making the right decision

Tutors and the Sixth Form Team will be available to give advice about choices. You should primarily be using Unifrog, which covers all areas of post-18 options, but there are many other very useful sources of information for students and their parents/carers. Use the websites of individual universities and colleges (these are .ac addresses) but here are a few other useful sites:

### Finding out what area of study is right for you

<https://www.unifrog.org>

### Finding out about different courses and required grades

<http://search.ucas.com> – this is the most popular and easiest way to compare courses on offer

### Other websites

<https://discoveruni.gov.uk> – allows you to compare entry requirements, job chances and student satisfaction

<http://www.guardian.co.uk/education/universityguide> – includes quality of teaching, teacher-student ratio amongst other measures

<http://www.thestudentroom.co.uk/> – a popular site for forum discussion where you have access to current students

### Finding out about visiting Universities

[www.opendays.com/calendar](http://www.opendays.com/calendar) for details of all university open days

[www.unitasterdays.com/search.aspx](http://www.unitasterdays.com/search.aspx) for details of all university taster days

<http://purepotential.org/events-opportunities/> for events and opportunities at universities

### Getting a job after University

<http://www.prospects.ac.uk/> – the graduate careers website

# UCAS Application Summary:

Name: \_\_\_\_\_ Tutor Group: \_\_\_\_\_

<b>Results &amp; predicted grades:</b>	<i>Name of subject</i>	<i>Result or predicted grade</i>	<i>Number of UCAS points</i>	<i>Teacher's signature</i>
Subject 1				
Subject 2				
Subject 3				
Subject 4 <i>(if taken)</i>				
AS-level Subject <i>(if taken)</i>

Employability Award <i>(if taken)</i>				

<b>University Choices:</b>		<b>Entry Requirements</b>	
<i>Full Name of University</i>	<i>Course Title and Code</i>	<i>Grades/Points (e.g. BBC or 88-104)</i>	<i>Extra Information (e.g. must have B in Maths)</i>
1).			
2).			
3).			
4).			
5).			

**Ensure at least ONE choice is an insurance choice, meaning the entry requirements are LOWER than your predicted grades/ total number of UCAS points.**

## UCAS Application Checklist:

BEFORE submitting your completed UCAS application, ensure that you can tick all of the following statements:

*Tick when complete*

• You have linked your application to Backwell School by using the buzzword <b>backwell23</b> .	
• You have entered your <b>full name</b> (NOT abbreviated) and you have included any middle names.	
• You have entered a <b>nominated access</b> person. This is usually a parent/carer who can contact UCAS on your behalf if you are unavailable.	
• You have put your <b>NORTH SOMERSET</b> as your 'area of permanent residence' – unless you live in Bristol, in which case it will be BRISTOL.	
• You have entered <b>UK, ChI, IoM or EU Student Finance</b> for your main source of funding (unless you are not taking out a loan in which case you select Private Finance)	
• You have put <b>NORTH SOMERSET</b> for 'student support arrangements' – unless you live in Bristol, when the local authority will be BRISTOL.	
• You have included details of any special support you may need.	
• You have included <b>all</b> of your GCSE subjects and the grades. You have checked that the boards are correct.	
• You have included your AS-level subject (if applicable) and the grades. You have checked that the board is correct.	
• You have included <b>all</b> of the subjects you are taking in Year 13 (with the grade marked as Pending). You have checked that the boards are correct.	
• You have included your EPQ (if applicable) and noted a condensed yet descriptive version of the title. The board is AQA.	
• You have included details of any employment you have completed, or are currently undertaking.	
• Your personal statement has been checked by at least two members of staff. <i>(Note their names here)</i> .....	
• Your personal statement has been uploaded to your application.	
• Your choices of university courses have a range of entry requirements, from aspirational (above your predicted grades), to insurance (below your predicted grades).	
• You have proof read your application for any typing, punctuation or spelling mistakes.	
• You have printed off a full copy of your application and passed this to your tutor for checking BEFORE submitting it to the sixth form office.	
• Your application is ready to be handed in to the sixth form office by the deadline of 27 September for Early Birds and <b>END OF TERM 1 FOR EVERYONE ELSE</b> .
