“Adventures are
the best way
to learn”

Enrichment Week 2023 - Year 9

Backwell School is committed to giving students exposure to new experiences, as well as opportunities to learn varied skills and build strong bonds with their peers. Trips take students out of their comfort zone and provide a great opportunity to enhance their learning outside the classroom.

Our entire Year 9 cohort will be heading to Cornwall to enjoy a varied programme of activities in a spectacular setting.

We are delighted that our students will have Falmouth University (Penryn Campus) as their residential base, an invaluable opportunity for students to experience life on a world-class campus. The students will be housed in a dedicated student village and enjoy an orientation tour of campus facilities and an insight into student life during their stay.

Surfing and beach activities will be on the agenda at a selection of Cornwall's beautiful backdrops, as well as a day of adventure activities set within Cornwall's rich quarrying heritage. Students will also visit the iconic Eden Project and learn about the natural environment in an inspirational setting. A visit to Cornwall wouldn't be complete without a beach BBQ - the group can look forward to a welcome and farewell beach BBQ to add to their enrichment week memories.

Behaviour

Backwell School is proud of the positive reports we receive regarding our students' behaviour on school trips. Enrichment Week is arranged in total confidence that this exemplary behaviour will continue.

If a student is removed whilst on a trip due to concerns related to behaviour, any costs incurred will be the responsibility of the parent/carer.

Financial Assistance

Should you want to use Pupil Premium funding towards Enrichment Week, or require financial assistance in a non-Pupil Premium capacity, please fill in a Financial Assistance form which can be found on the school website:
