

NOVEMBER 2026: INFORMATION FOR STUDENTS REGARDING ISSUE OF RESULTS FOR GCSE QUALIFICATIONS

This leaflet provides information about the post-results services available to you. Please note there is a fee for these services; however, all awarding bodies will issue a refund if there is an overall change to your subject grade.

It is entirely your decision whether to apply for a post-results service. Teaching staff cannot review your examination scripts to advise on whether you should request a review of marking, so please do not ask them.

Be aware that a review of marking may result in your grade going down, going up, or remaining unchanged. The outcome of the review is final. Therefore, before a request can be submitted, you must provide written consent confirming that you understand and accept that your grade could be lowered as a result of the review.

PLEASE ENSURE THAT YOU ARE AWARE OF THE DEADLINES BELOW

LATE REQUESTS CANNOT BE ACCEPTED

Information on how to apply for any post-result services will be issued with your results. Please find below a list of available services, deadlines and fees.

Access to Script

- A copy of the original marked script to help decide whether to request an enquiry about results or for general interest or to inform future learning.

IMPORTANT NOTICE – A REVIEW MAY LEAD TO YOUR GRADE BEING LOWERED, RAISED OR REMAINING UNCHANGED.

Service 1 – Clerical Check

- A clerical re-check of a marked paper will make sure that all the pages are marked, all the marks on the paper are counted and the result matches the marks on the paper. Please contact the exams office for advice if you are considering this option.

Service 2 – Review of marking

- A review of an exam script to check that the agreed mark scheme has been correctly applied.
Reviewers will not re-mark the script. This service includes:
- A clerical re-check.
- A review of the marking.
- If requested, a copy of the reviewed script. In most cases this must be requested at the same time as the review of marking.
