An email will be sent to your school email address or you can sign into the Exam Portal to view your results. Within the portal you can download, print or share your results with parent/carers.

PLEASE NOTE: If you are going to be abroad on results days, you will not be able to access your school email. You should make sure you know your portal log-in details to be able to access your results.

We are NOT able to give out results over the phone or send them to personal e-mail addresses.

If you are unable to collect your results in person and wish someone else to collect them on your behalf then please email exams@backwellschool.net. Your email must tell us the name of the person you authorise to collect for you, and should be sent from your school email account.

Alternatively, your nominated person can bring in a signed letter of authority from you on results day. Please be advised that the nominated person will need to bring a form of ID (ideally photographic) to collect your results. Your results will be placed in a sealed envelope.
