

September 2023

Dear Parent/Carer

A Level Geography – Geography Review and A level textbook

In order to support your child through their Geography A level course, we would like to give you the opportunity to purchase some resources that go alongside the course. Please find the resources outlined below:-

1. Geography Review subscription

For several years, many of our A Level students have subscribed to a magazine entitled 'Geography Review'. This is written by professional geographers, specifically for students taking A Level Geography. The magazine covers:

- Up-to-date articles on key topics and issues covered in the A Level syllabus.
- Advice on help with essay skills, fieldwork, case studies and exam preparation.
- Fact-filled profiles and detailed photographs of places around the world.
- Additional online resources and exam support.

We have the opportunity to subscribe to 'Geography Review' as a school at the group rate of **£15.50** per student for the year (four issues).

If you wish your student to take advantage of this offer then **please make payment** via www.parentpay.com, the school's online cashless payment system **by Monday 9 October 2023**.

In cases of financial assistance please contact the Finance Team via email at finance@backwellschool.net who will be able to provide information regarding the 16-19 Bursary Fund. This is available to post-16 students who are in receipt of free school meals or whose Parents/Carers receive Child Tax Credit or Universal Credit.

2. Hodder text book

The main Geography textbooks we use to support your child in their A level Geography studies is 'AQA A Level Geography: Hodder Education : ISBN: 9781398312548'. Many students find it particularly beneficial to have a hard copy of the Hodder textbook at home. The cheapest place to buy this is from Amazon.

Yours sincerely

I George
Acting Subject lead for Geography
