Dear Parent/Carer

Geography Examination Revision Support Materials 2023/2024: Bespoke booklets and CGP guide

The Backwell School geography department are offering the opportunity to purchase three key resources to support your son/daughter with their GCSE geography course. All of these resources are a useful revision resource and will help students prepare for these exams alongside their own notes and online resources. The details and costs of each resource are outlined below.

You will be able to purchase any number of the resources via www.parentpay.com, the school's online cashless payment system. The deadline for purchasing them is **Monday 9 October 2023**. If your child is in receipt of free school meals and/or is Pupil Premium, financial assistance is available, please contact the Finance Team at finance@backwellschool.net or via their direct line 01275 465941. Should you have any queries regarding ParentPay again please contact the Finance Team.

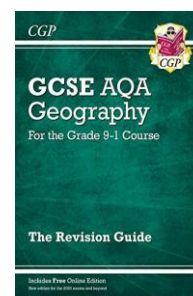

Resource 1: Bespoke revision materials: £2.00

This resource includes:

- Five A3 knowledge organisers for each topic
- Tailored case study booklet to match the examples and case studies that we have been studying throughout the course.
- A booklet of activities which students can work through.
- A copy of each of the three papers

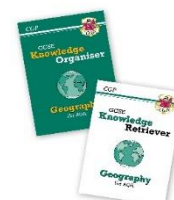

Resource 2: CGP revision guides: £4.00

It is recommended that every student has one of these. A lot of students already have this guide but, if your student does not already have it, it is a great opportunity to purchase one at a cheap rate. This book is published by CGP and is titled '9-1 GCSE Geography AQA' revision guide. This looks at each taught module and condenses key ideas and concepts.

Resource 3: CGP knowledge organisers and retrieval practice: £4.50

This is another resource produced by CGP. It is a more visual resource than the revision guides and they strip back the syllabus to the key information. If your child has a target grade of about a 4, these would be a really helpful resource.

Yours sincerely

I George
