

Clevedon
District
foodbank

In the weeks leading up to Christmas, Clevedon, Nailsea, Portishead and Yatton foodbanks will be giving out Christmas hampers and parcels to local individuals and families in need.

A word from Clevedon foodbank...

This winter, we're expecting over 600,000 people at our food banks

That's 1 parcel being distributed every 8 seconds

1 in 7 people in the UK are facing hunger because of a lack of money

"This winter will be our busiest ever. More people than ever are being driven to food banks and the sharp increase in people needing help is outstripping food donations.

Your donations are vital to ensure food banks in our network can continue to help everyone referred to them."

Dear Staff and Students

We want to thank you for the massive support you have given us.

The items you brought in 3 car loads weighed 289.04 Kg, that is heavier than a fully grown brown bear!

This year the demand for our help has been huge. We have provided food for over 1500 people. As soon as we have helped some clients get to the point where they can manage without our help, others turn to us.

What a wonderful school you are in doing so much to help others when you have enough to do yourselves. We really appreciate your practical help. You are a credit to yourselves, your school and our society.

Once again, thank you, for your support.
