

November 2023

Dear Parent/Carer

Year 10 GCSE Food and Nutrition contribution for materials 2023/24 to 2024/2025

As you are aware, your child is studying GCSE Food Preparation and Nutrition for the next two years, this will involve making a range of food items where you provide the ingredients, unless you are in receipt of free school meals when we can then provide the ingredients for you.

There are other areas of the course where we provide all the resources; completion of a nationally recognised Level 2 Basic Food Hygiene Certificate, the first Non Examination Assessments (NEA's) worth 15% of the total mark for GCSE. We also provide ingredients for regular science based and skills based theory lessons.

To cover the cost of these extras and to help us deliver this learning for the **two-year course**, we would like to ask for a contribution of **£30.00** per student.

Please can you open the attached MS Forms link <https://forms.office.com/e/df9ZERT9Yi> and complete the required information, relating to your child's Food and Nutrition class.

Payment should be made at www.parentpay.com the school's online cashless payment system by **Thursday 30 November 2023**. If your child is in receipt of free school meals and/or is Pupil Premium, financial assistance is available, please contact the Finance Team at finance@backwellschool.net or via their direct line 01275 465941

Yours sincerely

K Lewis and J Morris
