

16 January 2024

Dear Parent/Carer

I am writing to inform you of some upcoming additional trial exams in maths and English for Year 11 to support their preparation for the summer examinations.

These additional trial exams will take place as follows:

Maths

Week beginning 22 Jan: Students will sit a trial maths exam (calculator) during their maths lessons on Monday (line A) and Tuesday (line B).

Monday 18 March: Students will sit a trial maths exam (calculator) in the Sports Hall. It is very important that students come prepared with the correct equipment for these trial exams. They must bring the following for both exams- **A pen, pencil, ruler, compass, protractor and a scientific calculator.**

It will not be possible to lend out spare equipment to students who do not come prepared for these exams.

English

Friday 19 April: Students will sit an English trial exam in the Sports Hall.

Students will receive information on topics to revise and how to prepare for these exams during their upcoming lessons. If you have any questions regarding these trial exams please contact your child's class teacher.

Yours faithfully

Ms C Mason
Deputy Headteacher
