

October 2025

Dear Parent/Carer

Geography Exam Revision Support Materials 2025/2026

The Backwell School Geography Department are offering the opportunity to purchase some resources to support your child with their GCSE geography course. All of these resources are a useful revision resource and will help students prepare for their assessments and exams alongside their own notes and online resources. The details and costs of each resource are outlined below.

You will be able to purchase these resources via www.parentpay.com, the school's online cashless payment system. You can choose which items in any combination. The deadline for purchasing them is **Monday 6 October 2025**. If your child is in receipt of free school meals and/or is Pupil Premium, there is no need to order the items below, students will receive the resources.

Item 1: Bespoke revision materials: £3.00

This resource includes:

- A bespoke full colour revision guide for our course, which covers the relevant case studies too
- A copy of each of the three papers from previous years

Item 2: WideWorld magazine subscription

This is a quarterly magazine that includes case studies, looks at geographical skills and has guidance on exam preparation. **£10.50 per student**. It is not designed specially for revision but will enrich your child's understanding of the course and their geographical knowledge and skills.

Yours sincerely

M. Sales
Subject Leader for Geography
