## STUDENTS IN YEAR 10 YEAR 10 WORK EXPERIENCE

### **\*NEW\*** Babcock Engineering (Bristol)

<https://surveys.babcockinternational.com/s/MissionSystemsWEX2026/>

There are 2 options: one more professionally based (Engineering, Project Management & Business Operations) and the other more craft based (Production & Manufacturing). The week has not been confirmed but, if not in our WEX week, students can potentially still take part as long as their absence is authorised and they find another placement for the actual week. They will need to apply via the link above by **25 Jan** (but they may close it early if they receive a lot of applications).

### **\*NEW\*** Edwards Engineering (Clevedon)

<https://www.edwardsvacuum.com/en-uk>

They have 6 places available in the Year 10 WEX week. Students will need to email Mrs Ball (cball@backwellschool.net) with a CV (downloadable format on the careers page on Frog) and a short paragraph on why the placement interests them. First come first served. Please note this is Monday-Thursday so students will need to find an additional placement for Friday.
