Dear Parent/Carer

GCSE German Vocabulary Book

The GCSE German specification includes a prescribed list of vocabulary. It sets out exactly which words and phrases students are expected to know for their examinations. I am very keen to ensure that all GCSE Germanists have access to their own physical copy of the vocabulary list for reference and revision. I would, therefore, like to invite you to purchase a copy of this CGP vocabulary book. It follows the AQA specification closely and it presents the required vocabulary clearly by topic and tier, with English translations, useful sentence-building support, practice questions and model answers. It is an invaluable study tool.

We are able to offer this book to students at a subsidised cost of **£2.50 per copy**. Payment should be made via ParentPay. For any queries regarding ParentPay, please contact the Finance Team.

The deadline for purchasing the book is **Friday 30 January 2026**. If your child is in receipt of free school meals and/or is pupil premium, please contact the Finance Team at finance@backwellschool.net.
