Dear Parent/Carer

Year 11 Philosophy and Religion Revision Sessions

As part of the Year 11 preparation for GCSE Philosophy and Religion, I am offering the students an optional opportunity for after-school revision sessions on Wednesdays from Wednesday 4 March 2026 until their P&R exams.

The revision sessions will be run from 3.20-4.15pm in M1. This means it will finish in time for students to take the 'late bus'.

The revision session will focus on revising content from Year 10 and exam technique. Students do not need to sign up ahead of time and do not have to attend every session, but if they would like to indicate (by letting me know) if they are going to attend, it would help with planning the sessions.

Kind Regards

Mrs Brae
Subject Leader for Philosophy and Religion
