9 September 2021

Dear Parent/Carer

## **Technology and Music Workshop: Wednesday 29 September 2021**

We have great pleasure in inviting students to take part in a full day of technology and music workshops at the end of September. As technology in music creation and performance keeps evolving, we have decided to invite three specialist speakers on the subject to enrich pupils' understanding of how they can use technology in their composition and performance work.

There will be three different sessions throughout the day, which will run during school hours from **9.10 am to 3.10 pm**. Further information on the speakers can be found on the Backwell School website under 'Latest News'.

The event is open to students from Years 9 to 13 and a place can be reserved by emailing: [musicdepartment@backwellschool.net](mailto:musicdepartment@backwellschool.net) the deadline is **Friday 24 September 2021**.

**Tickets are priced at £5** and available to purchase in advance through [www.parentpay.com](http://www.parentpay.com) for Backwell students. Students from Chew Valley and Gordano are asked to bring £5 cash on the day of the event. Funding is available too for any student if required, please email [asalida@backwellschool.net](mailto:asalida@backwellschool.net) to arrange this.

If you have any questions or queries, please do not hesitate to contact the Backwell Music Department on the above address.

We think this will be a valuable, creative and beneficial day for all students involved and thank you in advance for your continued support.

Yours sincerely

Drew Salida  
on behalf of the Music Department, Backwell School.
