September 2020

Dear Parent/Carer

## **Year 7 Mathematics Setting**

Due to COVID 19 we have no prior attainment information for our new year 7 students. We, therefore, will not be setting year 7 for their Mathematics lessons at the start of term 1. Instead, we will be teaching year 7 in their tutor groups for the majority of term 1, with the intention of setting them by the start of term 2.

Our plan is to recap certain topics and then do the same baseline test with the whole year towards the end of term 1. Each year 7 student will have the same number of lessons before their test and we will use the results to set them. We always review our setting throughout the year and further adjustments are likely to be made where appropriate.

Yours sincerely

D Usoro  
Curriculum Leader Mathematics
