

Dear Parents/Carers

We have been very fortunate since the start of term to have had good weather. However, that now looks like it is set to change this week with rain and cold weather forecast!

With that in mind, we would like to remind parents that when students arrive at school in the morning they will still be required to gather in their year group outside space and will not be able to enter school buildings until the bell rings at 8.50 am. So please could you ensure that your child comes to school in appropriate wet/cold weather clothing.

A map showing the location of the designated year group outside space can be found [here](#).

Thank you for your help in this matter.
