Dear Parent/Carer

### Key Stage 3: Design Technology

As you are aware, your son/daughter will be studying modules of Product Design, Textiles and Food this year. This will involve making a travel game and a light project, hat and a pop art cushion cover. The Product Design and Textiles projects are made using materials fully provided by us. In Food, due to current health and safety restrictions, students will be carrying out practical food dishes at home. In class they will be taste testing, using focussed knife skills with fresh produce and science-based food experiments.

To cover the cost of materials and consumables and to help us to deliver this learning in a Covid secure way, we ask for an annual contribution of **£10 per student**, we will really appreciate this support for your son/daughter.

Payment should be made via [www.parentpay.com](http://www.parentpay.com), the school's online cashless payment system **by Friday 20 November**. If you have any problems accessing the service, please contact the Finance Team on 01275 465941 or via email to [finance@backwellschool.net](mailto:finance@backwellschool.net). If your son/daughter is in receipt of free school meals and you would like us to pay the contribution from your personal allocation of Pupil Premium funding, please contact the Finance Team.

Please complete the tear-off slip below and return it to the DT Food and Textiles department **by Friday 20 November 2020**.

Yours sincerely

R. Lavelle  
Head of Design and Technology
