Dear Parents/Carers

**North Somerset Music Service – Online Music Lessons**

We are aware your child(ren) would normally have face-to-face music tuition in school.

Due to the current Covid-19 pandemic, North Somerset Music Service (NSMS) have offered to move lessons online in the event of whole school closure or where a student is required to self-isolate. The intention is to help with pupils' continuity, progression and wellbeing during this difficult time.

In order for online music tuition to take place the Music Service requires some key contact information, which the school can provide from our school records, and give to the Music Service on your behalf.

To this end we would ask you to complete this online [Permission Form](#) no later than **Thursday 14 January** please. On this form you will also be asked to confirm that you agree to the Safeguarding Agreement (attached).

Information gathered will be sent securely and will be stored and used solely for the organisation of online music lessons during the current lockdown period.

Kind regards
